Dear Scott,

It was pleasure working with you. I would like to thank you for helping us find the perfect office.

We really appreciate your great negotiation skills with the sublandlord to secure our ideal loft in the Meat Packing district as we are aware that Amazing spaces like ours are a rare find!

We are truly grateful for your professionalism and determination in making sure that our move was as easy as possible. We highly recommend your real-estate expertise.

Thanks once again for your support,

Best regards,

Lynn Williams
