

Dear Todd,

Thank you for the all your help identifying and securing the perfect loft space in the Financial District for my creative design firm. Your commitment to negotiate with the landlord on our behalf and the effort you displayed to achieve our desired outcome is much appreciated. Again, we want to thank you for your tireless commitment throughout this process to secure our new space at the South Street Seaport. We really appreciate all your assistance in helping us navigate the commercial leasing process in New York City.

We would recommend you to any of our partners and we look forward to working with you on future projects. Thanks again for all your hard work.

Best regards,
